February 27, 2015 — Kettering, OH — Day Air Credit Union, in partnership with The Federal Home Loan Bank of Cincinnati, has established a set-aside of Affordable Housing Program (AHP) funds to help create homeownership.

Day Air has \$200,000 available in grant money, which means up to 40 eligible applicants can be awarded a \$5,000 grant towards closing costs and down payment assistance. In order to be eligible, the homebuyer must meet certain income requirements.

“We are thrilled to make this grant money available to homebuyers,” says William Burke, President and CEO of Day Air. “This is a wonderful opportunity to help people realize their dream of homeownership.”

The program officially begins on March 2, 2015 and grant money will be awarded on a first-come, first-served basis. Please call (937) 643-2160 or visit dayair.org/homeloans for more information!
