Day Air Credit Union Donates over \$7,400 to Dayton Children's

Kettering, Ohio, July 27, 2015 – As a part of its ongoing commitment to the Dayton community, Day Air Credit Union is donating \$7,465 to Dayton Children's Hospital. Each year, Day Air Credit Union offers its members the opportunity to Skip-a-Payment on their loan during the holidays for a small fee, of which a portion is then donated to Dayton Children's.

"Our associates live and work within the Dayton community. As a financial cooperative, one of our core principles is to care for the communities in which we serve" states William Burke, President & CEO of Day Air Credit Union. "This program allows us to support a great organization while encouraging us to live our mission of improving members' financial well-being. We admire the important role that Dayton Children's Hospital provides to the children and families in the region."

Day Air has supported Dayton Children's and the Children's Miracle Network since 1987, accumulating over 300 volunteer hours. In just the past four years, Day Air has donated over \$25,000, adding to the grand total of over \$125,000 donated during the partnership.
