Our Merger is Now Complete!

With our data conversion complete, all members may begin using our newest branch location in Beavercreek. The branch is located at 2089 Dayton Xenia Rd, Dayton, OH 45434.

Our newest members may also now complete registration for online banking and bill pay, as well as begin using their Day Air debit cards.

We are looking forward to serving the Beavercreek community!

President's Spotlight

What an exciting time for Day Air and our ability to better serve you!

With a recently completed merger, we are welcoming 1,700 former Countywide Credit Union members into the Day Air family. In addition to the new signs on the Dayton-Xenia Rd. building, you'll also notice many improved products and services. We invite all of our new members to sit down with your Day Air team and see how we can save you time and money.

With the Beavercreek branch, we now have a physical presence in Greene County. The Beavercreek and Xenia area has always been important to us and now we can better serve the area with a wonderful facility. Stop by and check it out when you're east of Dayton.

In addition, we're thrilled to announce the renovations of our Wilmington Pike office. We will soon

begin construction, and are completely remodeling the building to ultimately improve your branch experience and to allow more room for our growing staff.

As always, we are continually looking for new ways to better serve you, our member-owners. Thank you for your business and trust.

Go Green with Day Air!

With Earth Day coming up this month, we thought we'd share some ways you can Go Green with Day Air!

Enroll in e-Statements

If every household took advantage of online statements, the money saved could send more than 17,000 recent high school grads to a public university for a year!

Download our Mobile App

Save some gas by transferring money, applying for loans or checking balances without leaving your house.

But if you do drive, try using your cruise control which could get you up to 15% better mileage (helping the environment AND your budget)

Sign up for Mobile Deposit

Save a trip to the credit union with mobile deposit - plus save money on stamps!

Don't have a phone that is compatible? Well if you ever do decide to upgrade your phone, make sure you recycle your old one. If it goes into a landfill, the phones and their batteries introduce toxic substances into our environment.

Sticking to a Family Budget

Five years ago, a family of four spent an average of \$185 a week on food, now it's up to more than \$206. That's an increase of almost 11% according to the U.S. Department of Agriculture. With income levels only rising 5% over the same amount of time, sticking to a budget is more important than ever.

More than 72% of Ohioans start the year with a household budget, according to the Ohio Credit Union League's 2015 consumer survey. But, like many resolutions, life gets in the way. So how do you stay financially fit when life deals you a bad card? Just follow these three simple rules:

1. Be realistic. It's nearly impossible to stick to a budget 100% of the time and setting a budget that is too tight only sets you up for failure. Re-evaluate each month and move the money around as necessary.
2. Plan ahead. It might seem like a no brainier, but having a little extra money set aside in a rainy day account can be a big help. It might not cover the total cost of the unplanned expense, but it gives you some wiggle room.
3. Look to your credit union for help. Day Air offers many avenues to help you afford unexpected expenses. We offer financial planning, credit reviews, budgeting help, and of course special purpose loans for whatever you need.

Whether you are creating a budget to stay out of debt, pay off existing debt, or save for vacation, don't let the unexpected get in the way. To learn more about how Day Air can help you, [contact us](#) today.
