Day Air Credit Union Donates \$16,797 to Dayton Children's Hospital

Kettering, Ohio, (September 25, 2017) –Day Air is pleased to donate \$16,797 to Dayton Children's Hospital. This year's donation represents a 53 percent increase over last year and continues a relationship that has benefited the greater Dayton community for nearly three decades. Throughout the year, Day Air Credit Union offers its members the opportunity to Skip-a-Payment on their loan for a small fee, of which a portion is then donated to Dayton Children's.

"Dayton Children's and Day Air Credit Union are both rooted in the Dayton community and dedicated to serving families who live and work in our region. That common sense of purpose makes us natural partners," says Adam Blanchard, Director of Donor Engagement, Dayton Children's Hospital Foundation. "Year after year, the ongoing support from Day Air's skip-a-payment program makes a huge impact on the children and families we serve, allowing us to purchase necessary medical equipment, hire the best and brightest clinical and support staff, and offer our kids toys and games to comfort them when they need it most."

"We are excited to be presenting this year's increased donation to Dayton Children's," said William Burke, President and CEO of Day Air Credit Union. "We are proud to continue to serve our Dayton community with the support of our members and we look forward to our continued commitment to Dayton Children's." Day Air has supported Dayton Children's and the Children's Miracle Network since 1987, accumulating over 300 volunteer hours. In just the past 6 years, Day Air has donated over \$50,000 adding to the grand total of more than \$152,000 donated during the partnership.
