

President's Spotlight

The long hot days of summer are past us (hopefully...) and it's time to enjoy the crisp Fall air. Your credit union is moving into Fall with a full head of steam introducing new products and services, giving back to the communities we all live in, and bringing you the best rates possible for loans, savings, and more.

As we close out 2018 strong and look forward to an even better 2019, be sure to look into some of the ways you can contribute to the direction of your credit union below. Whether you serve on one of our boards, give back in your community, or utilize more products and services - there are plenty of ways to get involved with your credit union.

Call for Board Candidates

Are you interested in representing our membership by serving on our Board of Directors? Your credit union is a cooperative, meaning it's democratically controlled by you, our member-owners. We are governed by our Board, which consists of nine volunteers who are selected by our members.

If you are interested, please contact Dee Swormstedt by Thursday, November 8th at (937) 643-2160 or email candidates@dayair.org for an information packet.

Introducing the Day Air Credit Union Millennial Advisory Board

Help shape the future of your credit union and join the new Day Air Credit Union Millennial Advisory Board. This new board will help guide your credit union on various matters concerning banking and the future of banking for the next generation. If you or someone you know are interested learn more at dayair.org/MAB today!

Have you tried NEW Card Controls in the Day Air App Yet?

You now have access to unprecedented, real-time control over your Day Air Debit and Credit Cards through the Day Air App. Card Controls add another level of security to your cards by letting you temporarily lock your cards, report lost and stolen cards, and see your recent card activity. [Watch this video to see how you can easily use Day Air Card Controls today.](#)

Day Air Receives Honor from UD.

Your credit union is pleased to announce that we've received recognition for our partnership with New Student Programs at the University of Dayton. This year we were able to help provide scholarships that enabled 4 new University of Dayton students to attend UD Camp Blue - where they developed new leadership skills while adjusting to their new college lifestyle.

Your Credit Union. Your Community.

Unlike those "Big Banks", Day Air is local - which means all deposits are lent back out in the Miami Valley. **AND** we're active in supporting the local communities that we all live and work in. In fact, just this past quarter we participated in the Holiday at Home Parade, co-hosted a Community Shred-It Day, and even hosted a Dayton Regional Manufacturers Association Event.

Together Day Air Credit Union is 43,000 members strong and counting.
