***Day Air Credit Union Named Top 10 Best Places To Work In Dayton***

**Kettering, Ohio, April 23, 2019** – Day Air Credit Union has been named one of the Top Ten Best Places to Work in Dayton, in the Dayton Business Journal’s 2019 Best Places to Work awards.

“I feel great pride and satisfaction knowing that all the work we do is appreciated not only by our members we serve throughout the Miami Valley, but also our associates,” said Day Air Credit Union President and CEO Bill Burke.

Each year the Dayton Business Journal surveys employees in the Greater Miami Valley area about work-life balance, benefits, leadership, and culture at their companies. Day Air associates cited benefits such as loan discounts, the associate wellness program, generous benefits package and a commitment to work-life balance.

Associates also noted Day Air’s supportive and family-oriented culture as a highlight of working for the credit union, something that has long been fostered at Day Air, noted Burke.

“Our people are the reason we continue to experience success year after year,” said Burke. “We ask our associates to make a difference in the lives of members we serve, so it only makes sense to focus on and invest in them. When our associates benefit, our members benefit.”

Day Air has nearly 100 associates who work at 6 locations throughout the Miami Valley. This year’s honor comes after being named one of the Miami Valley’s Top 100 Businesses by the Dayton Business Journal in 2018.
