

Purchasing a Used Vehicle?

Day Air has partnered with Mobile Used Cars Inspections, a company that comes to you to inspect used cars. Because we both want you to get the best car deal and know what you are buying, Mobile Used Car Inspections is offering you **\$10 off** of your inspection.

What you'll get with your inspection?

- A comprehensive, bumper to bumper inspection covering all vehicle systems
- A complete and thorough road test
- A three-page written report detailing any problems found
- And, peace of mind!
